Subject: Casting Home Makeover TV Series

Hello there,

I hope you don't mind me reaching out to you,

I'm getting in touch from Emmy award winning TV production company October Films. One of the UK's most respected factual television production companies. We produce a wide range of programming, from factual entertainment shows to high-quality history and science programming. You can see our website here: <http://www.octoberfilms.co.uk/>

We are producing a 90 minute special for a major UK channel all about decluttering and spring cleaning. The heart of the programme focuses on incredible transformations, we'll be transforming messy over cluttered homes and giving them the ultimate spring clean. Peppered throughout the show will be inserts which focus on the latest in cleaning technology, cutting edge decluttering techniques and ingenious storage solutions.

We'd love to feature busy families within the show. If you're potentially interested it would be great to hear back from you. Also If you're in touch with anyone who deserves a free life changing declutter makeover I'd be really grateful if you could pass on my contact details to them. If you're happy to help us spread the word, I've attached our casting flyer that can be shared on social media. Any helping spreading the word would be hugely appreciated. Thanks in advance.

If you have any queries at all, please feel free to call me on 0207 284 6868.

Best

Shelley
