Subject: THINK TANK- BBC QUIZ SHOW

Good afternoon,

I am contacting you from 12 Yard Productions, I hope you don't mind me getting in touch.

We are currently looking for enthusiastic people who are up for putting their general knowledge to the test on the BBC One quiz show 'Think Tank'.

Hosted by Bill Turnbull, the quiz sees individual contestants answer general knowledge questions with help from a cross-section of the Great British public. The two highest scorers face off in a head-to-head final. Which contestant will use the Think Tank to their advantage and walk away with a cash prize?

I have attached a flyer in the hope that you can post it on social media or staff/public noticeboard and circulate it amongst colleagues and friends who may be interested in appearing on the show.

We are filming soon so would encourage anyone who is interested to get in touch today! Please do not hesitate to contact us if you need any more information. And definitely remember to apply yourself if it's something you'd be interested!

Thank you for all your help. Best wishes,

Jen
